****ADVISORY****

Mayor Moran, the City of Camden and Cooper University Health Care proudly honor emergency responders for life saving efforts

CAMDEN, NJ – Mayor Frank Moran, City Council members, Fire Chief Michael Harper , Cooper EMS Operations Manager Steven Hare, Red Cross Interim Regional CEO Susan Rounds will be in attendance to honor Camden Fire Department members and Cooper EMS personnel for going above and beyond the call of duty.

Emergency responders answered calls for service in Camden at 1306 Thurman Street and 717 Clinton Street involving active fires with trapped residents. Camden fire personnel were able to extinguish the fire and extract the victims from the units while Cooper EMS provided on site medical attention and transport to Cooper University Hospital. The coordinated response and action of all involved lead to lives being saved.

As a result, Mayor Moran, the City of Camden and Cooper University Health Care will be presenting citations to those emergency responders involved in both occurrences for their life saving efforts at a special ceremony on ***Wednesday, February 28th, 2018 at 11am at the Liberty Fire Station (1301 S. Broadway Camden, New Jersey 08104)***
