PUBLIC NOTICE

City Council Meeting - March 17, 2020

New Jersey Governor Phil Murphy has declared a public health emergency stemming from the novel coronavirus (COVID-19) pandemic. Large public gathering and public meetings have been discouraged.

In order to protect the health of the public and Camden City Council members, City Council will be observing the practice of social distancing. This means that all meeting attendees must be seated not closer than 6 feet from one another. The observance of social distancing will necessarily limit the number of people who can physically attend a City Council Meeting.

Members of the public will have the option of participating in the March 17, 2020 City Council meeting scheduled for 4:30 p.m. via livestreaming on the City of Camden website at ci.camden.nj.us

Thank you for your understanding and cooperation.
