

TOTTER CAN PROGRAM

The residents living in the highlighted area will be serviced via an semi automated trash disposal truck (no curbside manual trash pickup).

Therefore, residents can only use the totter cans for trash disposal. Suburban Disposal Inc. will not pick up trash placed in any other can. Recycling pickup will remain the same. Residents can place recycling materials in the appropriate recycling receptacle. Residents are limited to one totter can per every household.

Starting September 2024

If residents have any questions, they can contact the City of Camden Department of Public Works at 856-757-7034 or via email: publicworks@camdennj.gov
