No additional fee shall be paid for this permit.

§ 348-3. Issuance of permits.

Proof of service of notification to adjacent owners shall be submitted to the Director of the Department of Code Enforcement within two days of the requested shooting date.

§ 348-5. Refusal to issue permit; employment of police and electrician.

A. The Director of Code Enforcement, in consultation with the Business Administrator and the Mayor, may refuse to issue a permit whenever he determines, on the basis of objective facts and after a review of the application and a report thereon by the Camden County Police Department and by other city departments involved with the proposed filming site, that filming at the location and/or the time set forth in the application would violate any law or ordinance or would unreasonably interfere with the use and enjoyment of adjoining properties, unreasonably impede the free flow of vehicular or pedestrian traffic or otherwise endanger the public's health, safety or welfare.

B. Further, the Camden County Chief of Police reserves the right to require one or more on-site police officers in situations where the proposed production may impede the proper flow of traffic and according to the agreed upon public safety plan. The cost of said police officer to be borne by the applicant as a cost of production. A written notice of appeal setting forth the reasons for the appeal shall be filed with the Director of the Department of Code Enforcement and the Business Administrator.

B. An appeal from the decision of the Director of the Department of Code Enforcement shall be filed within 10 days of the decision by the Director of the Department of Code Enforcement. The decision of the City Council shall be in the form of a resolution supporting the decision of the Director of the Department of Code Enforcement at the first regularly scheduled public meeting of the City Council after the hearing on the appeal, unless the appellant agrees in writing to a later date for the decision. If such a resolution is not adopted within the time required, the decision of the Director of the Department of Code Enforcement shall be deemed to be reversed, and a permit shall be issued in conformity with the application, or the relief shall be deemed denied.

#### § 348-7 Waiver of requirements of Chapter by the Director of the Department of Code Enforcement.

The Director of the Department of Code Enforcement, in consultation with the Business Administrator and the Mayor, may authorize a waiver of any of the requirements, provisions or restrictions of this chapter if the Director of the Department of Code Enforcement determines that a waiver thereof may be granted without endangering the public health, safety and welfare. In determining whether to issue a waiver, the Director of the Department of Code Enforcement shall consider the following factors:

- (1) Potential traffic congestion at the location.
- (2) The applicant's ability to remove the applicant's vehicles and equipment from the public streets or other public property.
- (3) The extent to which the applicant is requesting restrictions on the use of public streets or public parking facilities during filming.

(4) The nature of the filming, including whether filming will take place indoors or outdoors, and the proposed hours for filming.

(5) The extent to which the filming may affect adjoining and nearby property owners and occupants.

(6) The City's prior experience with the applicant, if any.

§ 348-8 Copies of permit; inspections.

Copies of the approved permit will be sent to the Camden County Police Department and the City of Camden Fire Department before filming takes place and to the New Jersey Motion Picture and Television Commission at [njfilm@njeda.gov](mailto:njfilm@njeda.gov). The applicant shall comply with all safety instructions issued by the Fire Department, the Fire Marshall, other city inspectors or the Camden County Police Department.
